What Makes the WISA Adidas Showcase Special?

The WISA Adidas Showcase is a unique opportunity for players to experience exactly how a college program works.

- WISA strives to provide the best training environment possible for all players. This includes 7 full sized Bermuda fields, three with lights, 17 practice areas, two gyms, and two pools. There are air conditioned residences and a full service dining facility.
- Campers will be grouped together in a team, which allows making new friends and experiencing different team building exercises.
- College Coaches will conduct training sessions, allowing players to experience different coaching styles and ideas.
- Shuttle service to and from Charlotte Douglas Airport will be provided to all campers who need it (\$35 additional charge)
- There will be fully qualified referees for all full sided matches.
- An Athletic Training Staff will be present to ensure players are taken care of before and after each session and match.
- College players will be Junior Staff members, interacting with the campers throughout the week.

WISA Adidas College Showcase allows you to showcase your talents and have fun in front of college coaches!

A MESSAGE FROM THE WISA CAMP DIRECTOR

CAMP DIRECTOR
GARY HAMILL

WISA is entering its 18th season of camps and once again are looking forward to a great summer. WISA is very proud to have developed one of the most respected camps in the south.

WISA is very proud to have developed one of the most respected camps in the South. The WISA Adidas Showcase Camp promises to be an exciting camp. We have invited the top programs in the country to attend. Colleges committed for the 2014 camp include:

- St. Andrews College
- Old Dominion University
- Regis University
- Mars Hill College
- Florida Southern University
- Lenoir Rhyne University
- Southern Maryland College
- University of North Carolina Pembroke

We will be updating college coaches attending on our camp website. The training sessions will be run by college coaches and will be challenging and intense. WISA also provides highly qualified international coaches who bring unique ideas to our camp. For players wishing to perform in front of college coaches and play at the next level, this camp is for you. It promises to be a great week and I hope to see you here this summer!

CAMP INFORMATION:

The WISA Adidas College Showcase is designed to give the prospective college player an opportunity to participate in a typical college preseason, under the watchful eyes of top college coaches. Campers will be assigned together and "the team" will participate in the evening matches against other groups.

College coaches will integrate with the players by taking training sessions and with a Q&A Session that will educate our campers on the college process and the best steps to take. The WISA Adidas College Showcase offers the unique opportunity to attend a Question & Answer Session with the college coaches in attendance. This Q&A discussion offers our campers a unique insight to college soccer and the recruiting process.

Prior to the camp, all players will complete a player profile that will be available to all college coaches for the matches. With the unique nature of the camp, enrollment will be limited. Registration was closed last year in mid-April. Please enroll early to take advantage of this great week.

Registration will be from 2pm-4pm at the Dorm. Camp ends at 12 noon on the final day of the camp.

GOALKEEPER ACADEMY

The WISA Adidas Goalkeeper Academy is designed for high school freshman, sophomores, juniors and seniors with college playing aspirations. The goalkeepers will also undergo Tactical Training, which is an extended program which prepares players for the rigor of pre-season training and equips the player with the tools to meet the expectations of college coaches in game situations.

The goalkeepers will be under the supervision of a college goalkeeper coach in a detailed training program which is used by successful college soccer teams. Unlike other camps, the goalkeepers will then be assigned to teams in the afternoon and evenings, and play in full sided 11v11 games. This will allow them to showcase their talents to college coaches on site.
